

Hello FUNpavers!

We hope you are as excited as we are for your ride through the countryside of the Susquehanna River Valley. The leaves are beginning to change and pumpkins and fall decorations adorn many of the country farms and there's tons going on before and after the Big Day. Check out the earlier emails and the [unPAved website](#) for all your pre and post event resources.

[Friday Dispatch](#)

[Saturday Dispatch](#)

And keep this email handy when you get on site for answers to most of your questions!

Packet Pick-Up

Saturday 9 am - 11am at the HQ tent at the Lewisburg Fall Festival located at [White Pine Alley Parking lot and Blackberry Alley](#). There's plenty of parking on Market St. (with meters that are sometimes enforced) and lots of parking without meters on side roads. You could also park at the [Miller Center](#) and ride over to downtown for the most stress-free experience.

Waivers must be signed online *before you get your number*. If you have not done this, log into [BikeReg](#) and sign your waiver. Anyone without a signed waiver will need to fill out a paper form (and we don't like killing trees for that).

What You Get: Each rider will get a swag bag, a number plate to go on the front of your bike), a whoopie pie, and a beer or ice cream (depending on your ride).

Merchandise

If you pre-purchased merch it will be available in the Merchandise Tent, next to HQ, at the Fall Festival on Saturday, at the Packet Pick-Up location on Sunday, and under the unPAved tent at the DONEpaved Party on Sunday evening. We will also have a great selection of new merch if you are still looking for a memory item or some fresh – and warm – clothes.

Safety

The FUNpaved rides are guided, no-drop rides intended to showcase the beautiful farm lands, and get you to some interesting places.

Rules to Follow (Pretty Please with a Whoopie Pie on Top)

1. Don't be a Dick!

We know, it's a bad word and we don't like using such language. So don't cross that line and we'll treat you with nothing but respect & love. Do cross that line that we get mad enough to use our bad words, and you won't be welcome back. Plus you'll have to deal with everyone on the internet! #spiritofgravel

It's Rule #1, and it goes a long way, but there are more rules, too...

- You may ride any bike, even an e bike
- Course is open roads, with car & horse traffic. Abide by the rules and laws of the road, and treat cars & horses with respect. They are bigger than you.
- Safety third! Do not crash on descents! DO NOT cross the "yellow line" (mid-point of unmarked roads) especially when descending.
- FUNpaved events are not timed.

- No littering on course or in town.
- Must wear an approved helmet at all times.
- Racers must have a number affixed to the front of their bike.
