Weekend Extras

- [unGraveled](#): Join us on Friday night to reconnect with old friends and make some new ones. The Pub Crawl starts at 6 pm and goes until 10 pm, where we will gather at Bull Run and hand out swag and prizes to those who visited at least 3 places. **Sponsored by SRAM, New Trail Brewing, and Bull Run Tap House!** Print Your Pub Crawl passport at the end of this document, bring it with you Friday and take it with you to all the establishments you visit.
- [unGraveled Games](#): Starting at 8 pm on Friday at Bull Run Game Room, **SRAM** will be hosting Sprint Races. The Winner will win a Ruby Gravel Fork. We will also have other great prizes to hand out. And your first round of beer is on SRAM!
- [Gravel Film Festival](#): Showing from 5:30-7:30 pm on Saturday at the Campus Theater. Tickets can be purchased in advance on our [reg page](#) or at the door for \$10. Light snacks, beer, and beverages are included. Theater concessions will be available as well.

What you Get

Each rider will get a special gift bag, orange number plate, two stickers with your bib number (one for your Drop Box and one that goes on the left side of your helmet), and 3 raffle tickets. You may not be racing, but there are still lots of ways to be a winner!

Your Schedule

- Packet Pick up: **Saturday, 9 am - Noon** at the HQ tent at the Fall Fest located at [White Pine Alley Parking lot and Blackberry Alley](#) You will need to ride here from the Miller Center .
- Drop Box drop-off: **Saturday, 9 am - Noon** The trailer to take your gear to camp will be located at the [loading dock of the Miller Center](#) in the rear of the building.
- SlumberPARTy Overnight Parking - Located [behind the Fairfield Inn](#)
- Drop Box Arrival: **Saturday, by 2 pm** The Trailer will be parked at Site 1 and left open for you to collect your supplies. You must return your box to the trailer in the morning!
- Camp set-up: **Saturday, after 3 pm** Your campsite won't be available until 3, so if you get there early you can drop off any packed gear you don't want on your bike at Site 1 before you ride the 30-miles of the "Grey Unicorn" (or you can hang out at RB Winter State Park, there's a pretty pond and beach).
- Morning Breakfast and Coffee: **Sunday, 7 am - 9 am** Backyard Beans will be providing breakfast and coffee to fuel your return at Site 61.
- Start your ride back to the [Finish and DONEpaved Party](#): **Sunday, before 10am** If you haven't ridden the 30-miles of the Gray Unicorn yet, start before 10! If you've done it or you're skipping it you have a little more time to get on your bike. But pay attention to the cut-off times on Sunday!
- Cut off Times:

- The Ranch Aid Station by **1:30 pm**. If you get there after 1:30 you will be rerouted onto the 50-mile course. Mifflinburg is 20 miles from The Ranch.
- Poe Paddy Aid Station by **3:30**. If you get there after 3:30 you will be rerouted back to the tunnel and towards the Camp K Aid Station, which is 7 miles from Poe Paddy.

DROP BOX Allowance: You may drop a tote no larger than 27 GAL. (28x15) with a hard top or a sports Duffle (28x17). It is VERY IMPORTANT that this is waterproof. It may be left outside.

The Route and Safety

We like to think that those taking on a bike-backing ride are just a little better prepared and experienced than the average racer. This is your adventure so make sure it is safe and enjoyable. On Saturday there will not be anyone out there watching. So ride in groups and make sure you have the course loaded.

Fun Stuff

We have some fun things planned for youse, y'all & yinz - and ways to win swag and prizes even though you are not racing.

- **Morning Breakfast and Coffee** Backyard beans will be serving up AMAZING breakfast sandwiches and hot coffee to get you fueled for your roll back.
- **White Buffalo Hunt.** There will be 20 white bison on the course. Find one and return it to the DONEpaved Party for a prize.

Campsite Assignments

We had to make a few adjustments for administrative purposes to some campsite assignments. We tried our best to put you in a great spot with great peeps. **The Assignment Sheet is attached.** If you would like to change to be near a buddy, just shoot Cimarron an email and we will see what we can do: info@grorace.com

You can find a map of the campground on the [SlumberParty webpage.](#)

Finish, Rolling Recovery, and DONEpaved Party:

Finish: Even though you are not racing or timed during the event we kindly ask that you check in at the Finish Line at the Rusty Rail. Just stop and give the timer your name so we know you make it back safe—*please and thank you!*

Rolling Recovery: SlumberPARTy riders have the luxury to return to town early and take advantage of all the yummy recovery spots. We encourage you to take your time at the Rusty Rail Brewery and enjoy the craft fair or grab a beer, maybe grab an Ice Cream at the creamery (bring your ID, credit card & some cash), or stop off at **JackAss** Brewery for a trailside beer along the Buffalo Valley Rail Trail. After all, you have all day to celebrate your accomplishment.

DONEpaved Party: You might decide you just want to be finished and head right to the Miller Center. Although the official party does not start until 5 pm, there will be stuff going on beginning at 3. When you arrive you will get a food coupon to use at one of three food establishments. See all the [DONEpaved Party Details](#) here.

See youse, y'all & yinz next weekend!
